## Rahab Craft

1. Print the pages
2. Cut out the wall scene and spy men.
3. Cut a slit in the picture between Rahab's hands (so it will look like she is holding the cord).
4. Slip (red) ribbon or yarn through the slit.
5. Attach a spy to the end or middle of the cord.
6. By pulling the cord the students can help the spy climb down the wall.
