What's Been Happening?

So much has happened for CEF of Wyoming and Sullivan Counties this summer, and God's hand has been in every step! This summer:

- **32 children professed salvation** in Jesus Christ!
- Over 21 Bibles were placed in the hands of local children
- **Over 200 children** were reached with the Gospel through our many camps, mini-camps, and 5-day clubs
- Over \$1,000 was raised for our missions project, helping Bible Visuals International produce visualized Bible curriculum for children in Papua New Guinea
- **26 teenagers almost 20 adults volunteered their time** as counselors, junior counselors, and extra helpers at camps and clubs
- **Our Club Coordinator, Miriam Higley (Morley), is now married** and is now working for our CEF State Headquarters
- Miriam and both of our summer missionaries, Hanalee and Nick, graduated from online Summer Missionary Training School

We are praising the Lord for everything that He has done in our counties this summer!

Looking forward

What's next for CEF of Wyoming and Sullivan Counties? Who will continue to run the ministry? **The CEF committee continues to invest their time and energy into reaching children for Christ, even in the absence of a Director or Club Coordinator.** Feel free to contact us by call, text, email, or Facebook messenger if you have any questions about the ministry or want to get involved. Be praying for God to raise up the next leader for our counties, and spread the word about our need to local believers and churches. Thank you for your continued support!

A Huge Need

The Lord has been gracious to allow us to continue to host Good News Clubs. If each club has twenty-five children attending, we could be reaching 100 children a week with the Gospel. This is such a privilege! However, we are in desperate need of teachers* and helpers* to staff these clubs. **We currently need at least one teacher, as well as several helpers, to staff our fall 2021 clubs.** Our teachers are fully equipped, supported, and provided with all of the necessary materials for teaching. Please pray about getting involved in a club this fall! We would be happy to talk to you about what it looks like to teach a Good News Club. Feel free to call the office during the week at **570.836.2716** or email **cefwsul@gmail.com**.

*All teachers and helpers will need their clearances and be willing to fill out policy papers for CEF

*Helpers can be teenagers (15 or older) or adults.
