## Director's Corner

Join me in praising God for His work in the lives of children in Wyoming and Sullivan Counties!

I have had the joy of leading a young man to a saving knowledge of our Lord Jesus Christ in Good News Club. I praise God that he attends a good local church where he can grow. I pray that he will grow strong and serve God with his whole life.

I have had a few opportunities to work with families whose children struggle with self control issues. Praise God for His wisdom in these situations. We have made some changes, and are seeing improvements. Please pray for true heart change for these children. Until they know Jesus as their savior and truly lean on Him for their strength and direction we are only making superficial changes which do not impact eternally. It is those eternal changes that matter. Pray that the superficial changes will allow the child to clearly hear the Gospel and come to a saving knowledge of the Lord Jesus Christ. Pray as I work with these families that I will also be able to clearly share the Gospel with the moms I am working with. Imagine the impact on the child's life if Mom were to get saved and begin living for Jesus!

## Teacher Training Classes

Do you have a desire to reach children with the Gospel? Consider joining us for Teacher Training Class on March 20 at Noxen Bible Baptist Church from 6-8. You do not need to be a CEF teacher or volunteer to join us. You may also join our Facebook group. "Teacher Training Class 2022-2023"

# Summer Volunteers

CEF of Wyoming and Sullivan Counties, Inc. is looking for volunteers for our summer ministries! We need Jr. Counselors for our day camps and mini camps. Jr. Counselors must have completed 7th grade, be saved, and have a willingness to work with our campers this summer. We need Adult helpers for our day camps. Adults, I realize you work, but are you able to give one day, one afternoon, one morning? If so, let me know, there are a lot of tasks at camp where your full time attendance is not necessary. We always need extra help for special events at camp, so if you are only limited to helping one or two days, I will find a way to plug you in to help.

If you can help, or think you might be interested in helping, we do have training sessions scheduled. These trainings help you be prepared for all the activities at our camps. We require all of our helpers to attend our training. This allows us to be sure you are ready to help, and get you plugged in where you can be most effective. We are offering a two part training this year. These trainings are going to be held at our office on Saturdays May 13 & 27 from 9-11am. If you can't make both of these sessions, we will be having a single session on Friday, June 2 from 6-9pm at our office. If neither of these options work for you, please contact Kim, so an alternate training plan can be developed for you.

Jr. Counselor applications can be found on our website or by contacting Kim at the office. 570-836-2716 (talk or text). You can also use the QR code to access the application.
