Summer Ministries

We serve an AWESOME God!!! He works in ways we can never really understand in our fallen state. At our Fall Banquet, I encouraged attendees to be intentional in looking for God's Blessings amongst our trials. If we are intentional in seeking His hand of blessing, I believe we will see it. Let's look back at the summer to see His blessings.

The first blessing began a week before Summer Missionary Training School when we got a last minute application for a summer missionary to serve with us. I really did not want accept the application due to its lateness and the work it would require for me to get them ready to go. However, I felt God leading to say yes. Praise God I heard Him and listened! We had a couple bouts of illness throughout the summer and having a third summer missionary was such a blessing! Our team worked together so well. It was such a joy to work with Hanalee Nichols, Thomas Nichols and Lilly Trunk this summer.

God blessed us with safe travel this summer. We put a lot of miles on our vehicles traveling to the five different 5-Day Clubs, two Mini Camps and two Good News Day Camps. Thomas did have a minor accident, hitting a deer, but it caused minimal damage and did not prevent him from arriving at club on time and no one was injured.

This summer also brought severe weather alerts. Praise God that at the one location where we did not have good shelter available He kept the storms all around us, but not over us until the kids were dismissed.

We also had air quality warning days this summer brought on by the smoke from the Canadian wildfires. We host all our summer activities outside. However, we were able to move our activities indoors for the couple of days it was bad here. Then on the day we were supposed to enjoy some water activities the warning was downgraded enough that we were able to get our water games in too! Our God is GOOD.

This summer we were able to share the Gospel with 212 children in Wyoming and Sullivan Counties. 8 of those children chose to accept Jesus as their personal Savior. An additional 8 children expressed a desire to be sure that their salvation was solid in Christ. We gave 14 children their very first Bible. What a blessing that is to see the excitement they have when they see their name inside the cover. We collected $1,384.53 in missions offering.

> We witnessed a real desire by saved children to share the Gospel with others. We shared the Wordless Book multiple times this summer to help children have an easy way to share the Gospel with others. What a blessing to hear that there are several who are using the tools we gave them to spread the Gospel!
