Good News Clubs

All of our Good News Clubs have begun. We are already seeing increasing numbers in each of our clubs. It is so refreshing to see these kids so eager to come to club each week. Our clubbers are learning memory verses, good Biblical songs, and lessons from the Bible. We are learning lessons from the book of Ruth right now, and will be moving on to Joshua next. They are also hearing missions stories as well as learning about missionaries. They are digging into God's work during the week by completing their quiet times.

We are especially praising God for the provision of a van and driver who is willing to pick students up after school at both Tunkhannock Area Intermediate Center and Primary Center and bring them to our office for club. This wonderful addition has added students to our club who could otherwise not attend. Praise God for Tony Traver and his willingness to commit his time and resources to serve God and be part of spreading the Gospel to children in the Tunkhannock area.

Please be praying for each of our clubs.

Director's Corner

It has been so exciting being able to see the many different ways God is working in our area!

The provision of a van and driver for Good News Club in Tunkhannock was all of God.

Over the last couple of months I have been able to attend several baptisms of children who have come to know Jesus as their Savior because of the teaching at our camps and clubs. It is so wonderful to see these children growing in their spiritual life and relationship with Jesus.

Even with not being able to meet in the Tunkhannock schools we have more children enrolled overall already this year than we had last year.

If you would like to get involved with our ministry of reaching children in Wyoming and Sullivan Counties with the Gospel, there are several opportunities. Please feel free to contact me to discuss how you can become involved.

Summer Ministries

Yes, you read that right! I have already begun scheduling summer ministries.

I am looking for a host and location for 5-Day clubs in Nicholson and Northmoreland. These clubs run for 1.5 hours a day for 5 days during the week of August 5-9. We do all the teaching. All we need is a location and a host/hostess. The host/hostess typically provides a drink and light snack at the end of club. The location should have some provision for cover in case it rains. If you would be willing to host a 5-Day Club in one of these two towns, please contact me. If you know someone in these towns, who might be willing to host, please share this with them.

Summer Missionaries

Did you know that each summer we look to hire at least 2 people to serve as summer missionaries for our ministry. These individuals receive one week of thorough training at Mt. View Bible Camp in Danville. Then they come back to our office for a second week of practical training. After they are fully trained they serve in various capacities in our 5-Day Clubs, Mini Camps and Day Camps. Summer missionaries must be at least 16 years old, saved, and have a good testimony. They must show a desire to work with children. We ask that they be available to serve from June 9th through August 10. They are paid for each week they serve. It is great if they have their driver's license and their own transportation, but these are not absolutely necessary. For the most part, the work week is Monday - Friday from 8am-5pm though those hours are not set in stone.

Warning: Being a summer missionary with us will impact you. The training is fantastic. The summer is long, sometimes difficult and tiring, but oh, so rewarding.

If you or someone you know would have an interest in serving as a summer missionary with us please contact me. It is not too early to start the application process.

Teacher Training Classes

Please consider joining us for our Teacher Training Classes. These classes are held on the last Wednesday and Thursday of each month except December from now until April. The two classes each month cover the same topics, so you only have to attend one per month. These classes are designed to help anyone who is working with children. They cover topics to help children's workers be able to better share the Gospel with children. The Wednesday class is from 9:30-11:30 am and the Thursday class is from 6-8pm. Both classes are held at our office, 11 Wyoming Ave. Tunkhannock. All materials needed are provided. You do not have to serve with us to attend.

Committee Members

Our local committee is still looking for individuals willing to join the committee and partner with them in serving God by taking the Gospel to children in Wyoming and Sullivan Counties.

Serving on the committee is not a huge time commitment. The local committee meets one time a month for about two hours. There is a small amount of preparation for the monthly meetings. There are about 4 to 6 other events throughout the year ranging from picnics and banquets to seminars that you are invited to attend. Your attendance is not required at any of these events.

In order to join the committee you must be a born again believer who feels called by God to serve Him through CEF of Wyoming and Sullivan County. There is an application process to join the committee. I would be happy to provide you the necessary paperwork upon request.

The purpose of the local committee is to provide continuity and permanence to the local ministry. They ensure that the ministry remains doctrinally pure. They make decisions that affect the local ministries. They give Spiritual guidance and support to staff.

Please prayerfully consider joining our committee. We need more individuals willing to serve God along side those already serving.

Happy Thanksgiving!

Merry Christmas!

"For unto you is born this day in the city of David a Saviour, which is Christ the Lord." - Luke 2:11
