Summer Missionaries

Praise God for His provisions!!! Once again this summer God has sent three individuals to help as summer missionaries here in Wyoming and Sullivan Counties. Join me in praising God for His wonderful provision and welcoming our three summer missionaries.

Lilly Trunk has decided to return to serve as a summer missionary again this summer. Lilly brings a real love for sharing the Gospel with children, a calling to missions, and a joyful spirit. I am really looking forward to working with Lilly again this summer and am anxious to see how God will use her in the lives of the children she will be working with this summer and beyond.

Mia Maxwell will be joining our team for the first time this summer. Mia is studying to be an elementary teacher. She enjoys God's creation. I am looking forward to seeing Mia put her God given teaching abilities to work throughout the summer as she teachers our campers and clubbers. I anticipate the training she will receive will be beneficial to her as she continues to teach and share the Gospel with children.

Liam Trunk, Lilly's older brother, will also be joining our team this summer. He has a love for sharing the Gospel with people everywhere he goes. Lilly and I have been praying that Liam would be able to join the team this summer, and God has granted us a positive answer to our prayers.

I am excited to see how God is going to bring these three together to serve Him here in Wyoming and Sullivan Counties this summer.

Even as we have a full team for this summer, we are already praying that God will be working in the hearts of the people He is calling to serve next summer. We seek to hire two to three individuals each summer to serve as summer missionaries in our counties. Summer missionaries must be at least 16 years old. It is helpful if they have a drivers license and their own transportation, but this is not necessary. It is a paid position for the weeks that they work. They must be available from early/mid June through early August. They must be saved and be living a life that reflects their relationship with God. Summer missionaries go away for one week of intense training then come back to the county for a second week of practical training. Following the training they are expected to run our 5-Day Club and Mini Camps as well as help in our Day Camps. All materials needed for teaching are provided. It is a great opportunity to grow yourself and impact children with the Gospel. I encourage you to pass this information on to any individual you think might be qualified to serve as a summer missionary with us. It truly is an experience that will change their lives as well as the lives of the children they would impact.

Director's Corner

If you read our cover story you already know that God has blessed us with a third summer missionary. This is a real answer to prayer. God is blessing in our county beyond what we deserve.

I am so very encouraged that we also have an individual who is interested in joining with us as a Committee Member. I am hopeful that when our September newsletter comes out I will be able to introduce you to our newest committee member.

I praise God for the opportunity He has given to me to work with such a great team of people who truly wish to see children saved. Our local committee works so well together and offer great perspectives on the ministry. I praise God for the team He brought together here to oversee His work.

Please join me over the next three months in praying that we would be able to reach 300 individual children throughout Wyoming and Sullivan counties with the Gospel this summer. Please pray that our team works well together and stays healthy throughout the summer. Pray for our safety in travel this summer. We covet your prayers during training school specifically for rest, health, and clarity of mind.

We serve an AWESOME God! He is able to do whatsoever He pleases. What a blessing to be able to serve Him!

Get Involved!

Maybe God has recently blessed you or laid on your heart a desire to contribute financially to CEF of Wyoming and Sullivan Counties. You can either support us on a regular basis or help out with a one time donation. You can send your donation in the enclosed envelope. Every little bit helps.

Maybe you are unable to regularly support our ministry financially, but feel led to help in some way. Well here is your opportunity.

We are looking for people willing to help with some regular projects around our office.

It would be a real blessing if someone would be willing to mow our yard. We have a mower, but our summer schedule is a bit hectic and having someone take care of cutting the grass for us would be such a blessing.

Another real blessing to the ministry would be someone who would be willing to come in and clean the office on a weekly or bi-weekly basis.

Please contact Kim by phone or text at 570-836-2716 or email at cefwysul@gmail.com if you are interested in helping in any of these areas.

Fall Banquet

September 14, 2024

5:00pm

Noxen Bible Baptist Church

Please plan to join us as we report on our summer ministries, complete with lots of pictures.

This banquet if free to attend and you need not bring anything except an appetite. We do take a free will offering to help cover the cost.

Fall Good News Clubs

It is not too early to be considering helping in our Fall Good News Clubs. These clubs meet weekly from October through April. It does sound like a big commitment, but it is such a blessing to get to know the different children and share the Gospel with them.

We are looking for both teachers and helpers. If you are unable to commit to the entire time, maybe you could commit to a month or two, or more. We would love to work you into our schedule of helpers or teachers.

Specifically I am praying for someone who would be willing to go to Sullivan County Elementary School with me this fall. It would be every Wednesday. We would leave at 2:00pm and return around 6:30pm. I am in need of at least one additional helper for this club. We typically have 12-21 students weekly. Many of these children have very little Biblical knowledge. They desperately need this instruction. It would be terrible if lack of help forced us to end this club. I saw some growth in the children this past year and have a real yearning for these children to all come to know Jesus as their Savior. Please consider helping fill this need.

We do offer teacher training classes during this time as well to help you be more effective in teaching and working with children while sharing the Gospel with them. These classes meet once a month. They are helpful for anyone who works with children in any ministry, and are open to anyone who wishes to attend.

Join me in praying for laborers for Good News Clubs.
