Summer Missionary Needed

Each summer we look to bring in two individuals ages 16 or older to serve as Summer Missionaries. We do also welcome 15 year olds to apply as a Summer Missionary Trainee. These individuals run our 5-Day Clubs, Mini Camps and help with Day Camp. They need to be available June 14 - August 8, Monday through Friday, most weeks. There may be a Sunday or two in there when you would be asked to share your testimony at a local supporting church. We provide all the materials they would need as well as training. It is helpful if the candidates have their own car, but not necessary. This year we are asking candidates to raise their own support of $3,500 for the summer. Our director and members of the committee are committed to helping the candidates in this endeavor.

All candidates must be saved, regularly attending a local church, have a desire to work with children, and provide a pastoral reference along with their application.

We currently have Grady Fryer returning to serve with us. Would you consider serving God alongside him this summer?

If you would like more information regarding our Summer Missionary program, please reach out to the director, Kim Teeters via email at cefwysul@gmail.com or by calling or texting 570-836-2716.

Praise God!

God has provided all of the support Grady Fryer needs to serve as a Summer Missionary with us this summer. God revealed Himself to Grady through your generous support and words of encouragement to him as he spoke in several local churches to raise support. We were both encouraged and strengthened in our service for Him by His people who have been so supportive. Grady will continue to need your prayer support as he prepares for and serves this summer.

Please join me us in praying for another person to join Grady this summer in sharing the Gospel with children in Wyoming and Sullivan Counties.

Director's Corner

As summer quickly approaches and the busyness of the office work takes over, I need to remind myself to slow down and take note of God and His work in the every day happenings. How he supplies some extra workers in the office to help fold, collate, laminate, and cut papers. How He supplied just the right help for the Good News Club Rally. Not too many, not too few, just right. Not only the right amount of helpers, but just the right individuals as well. We worked as a well oiled machine. Everyone doing what needed to be done and each willing to step in and do whatever was asked of them.

We are called to praise Him. So often I forget to take note and remember the many blessings He brings into my life. Often I think we tend to write off His blessings as coincidence or happenstance. I think I do that because I think, "I am nobody that God would take time to plan out or worry about such trivial details of my life." I love the fact that I get to teach children that God made them special, and that He loves them. That He loves them with an everlasting love even greater than any love another person could have for them. Teaching this regularly reminds me that God loves me that same way, and He has a perfect plan for me. My responsibility is to serve Him with my whole, willing heart. When I do what I should be doing, He takes care of the rest. This does not mean everything is easy, it just means that I have Him walking alongside me during the hard times, helping me through and bringing about blessings that I could not even fathom.

Praise God for who He is!

Get Involved!

Pray for us! This is the greatest way to have a positive impact on our ministry. Pray for the Committee Members as they seek to lead the ministry. Pray for Kim as she handles the day to day responsibilities as director. Pray for Grady Fryer as he serves this summer. Pray for the many volunteer teachers and helpers that keep the ministries running; pray they stay healthy and that God would protect them from Satan's attacks. Pray for each of the children who are reached through our ministries; pray that they would give their lives to serve God from a young age. Pray through our monthly calendar on the back page of this newsletter.

Do you know that our ministry is solely funded by local churches and individuals? Would you be able to join with us financially? If so, there is a form enclosed that you can use. We endeavor to use every dollar wisely to share the Gospel with children in Wyoming and Sullivan Counties. Please, prayerfully consider financially supporting our ministry.

You can also join us actively in ministry by volunteering with one of our clubs or camps. We offer training and will use you in a role with which you are comfortable. Not all of our volunteers are teachers, we need people to help and fill background roles as well. Please consider how God might be calling you to get involved.

"In whom we have redemption through His blood, the forgiveness of sins, according to the riches of His grace; wherein He hath abounded toward us in all wisdom and prudence;." -Ephesians 1:7-8

We Need Your Help

Help us continue to provide free Day Camps and Mini Camps to children in Wyoming and Sullivan Counties.

We need to raise $1000.00 to provide a camp t-shirt to each camper who attends our Day Camps this summer. The camp t-shirt has become a favorite part of Day Camps over the years, and children can choose to sign each other's shirts as a memory of friends at camp. Would you consider donating to help make this happen? If so, please mark "Summer Ministry" on the enclosed donation slip and return it with your gift.

We need Summer Volunteers who have completed 6th grade or older. (Adults, too!) These individuals volunteer to help at one or both of our camps. Camp weeks are July 6-10 (Noxen) and July 20-24 (Mehoopany). Our camps could not happen without these volunteers. Please consider joining us this summer as a volunteer. If you can't commit to the whole week or all day every day, we still have places we could use your help. Please contact Kim for more information. We offer training for all of our volunteers so you feel ready to serve well.

Our summer training class will be offered four different times. Volunteers need only attend one of the classes. All volunteers are required to attend a training class. If you want to volunteer, but none of the dates work in your calendar, reach out to Kim to make alternate arrangements. Mark your calendar for one of the training classes. May 9, 9:00am-Noon @ Office; May 14, 6:00 - 9:00pm @ Office; May 17, 2:00-5:00pm @ Noxen Bible Baptist Church; June 3, 6:00-9:00pm @ Mehoopany Baptist Church.

Learning Event

Join us on Sunday, June7 from 1:00-3:00pm at Noxen Bible Baptist Church to learn how to **effectively counsel a child to salvation**.

This opportunity to learn another method of counseling children who have questions about salvation is open to any adult who wishes to attend. You do not have to volunteer with CEF to attend this training. Attending this training does not mean you must counsel children if you volunteer with CEF.

This training is designed to help you learn how to use Counseling Cards (we will provide the cards) to walk a child through the plan of salvation. It will help you look for cues that indicate a child's understanding of salvation and readiness for salvation.

Please join us for this training class. No need to RSVP, just **show up**!
