Fall Kick Off Training Event

We are going to try a **new format** for our Teacher Training Classes for the 2026-2027 ministry year. Instead of offering classes monthly, we are going to have one all day training event at the beginning of the Good News Club year. Our hope is that this training will better prepare children's ministry workers right from the . start ofthe year. This training event is scheduled for Saturday, September 12 from 9am - 5pm at Community Bible Church, Tunkhannock. Lunch and snacks will be provided. Please mark your calendar today, and plan to join us for this training.

This training is open to **all teens and adults** who desire to learn how to more effectively communicate the Gospel to children in grades K-6. You do not have to volunteer with CEF to attend. Some of the classes will be CEF material specific, but most of the training is useful no matter what curriculum you are using. Please reach out to Kim at 570-836-2716 (talk/text) or email at cefwysul@gmail.com to let her know you plan to attend so that enough materials can be produced.

We will be offering training on how to use different evangelism tools to share the Gospel with children throughout the fall and winter. These will be scheduled and announced in our next newsletter. (Something to look forward to!) Again, these classes are open to all teens and adults wishing to learn how to effectively share the Gospel with children. You do not have to volunteer with CEF to attend. We encourage all children's ministry workers to attend each of these classes as they will cover different evangelism tools.

You Can Make a Difference!

You can be part of reaching the children of Wyoming and Sullivan Counties with the Gospel!

Pray for us! That is the greatest way to have a positive impact on our ministry. Pray through our prayer calendar on the back page of this newsletter. God is the God who hears! Let Him hear you pray for children to come to know Jesus and then live for Him. Pray for the people who serve with us and the children reached by us.

Financially **support** our ministry. You can support us by using the enclosed giving form, or through our website. We need individuals who can regularly give to keep the ministry running. Every little bit helps!!!

We need Christian men and women to join with us in leading CEF of Wyoming and Sullivan Counties. Would you prayerfully consider **joining** the Local Committee to help oversee the ministry now and for years to come so that we can continue sharing the Gospel with children in the area.

Please consider how God may be calling you to make a difference in the lives of the children of Wyoming and Sullivan Counties by partnering with us. Then **reach out** to Kim or one of the committee members for more information on how to get started.

Director's Corner

In studying for the camp lessons on Peter this summer it is refreshing to be reminded of the many different characteristics of God that can be seen in the life of Peter.

Peter was a very bold man in every aspect of his life. He seemed to always be jumping into things without forethought. His impulsive behavior brought rebuke, but not condemnation because God is loving. He disciplines those He loves. We are disciplined by God to bring us back to God.

God is longsuffering. We see that time and time again Peter failed, but Jesus each time forgave him and allowed him to continue serving Him.

When Peter denied knowing Jesus, Jesus forgave Peter and restored him to ministry. In this we see that God is forgiving. He forgives our confessed sin because all sin was paid for by the perfect blood shed by Jesus on the cross and through His bodily resurrection three days later.

We can see the goodness of God in Peter's life. God had a good plan for Peter. He used imperfect Peter to spread the Gospel to the gentiles. God is good! We serve the same God. He has a good plan for each of us.

God is just. We see that God allowed Peter to sink into the raging waves when He doubted. Yet, even in that punishment for sin, Jesus reached out His hand to rescue him again showing His love and forgiveness.

God hears and answers prayers. We can see this in the miraculous way Peter was released from prison.

I encourage you to read the accounts of Peter's life from the Gospels and Acts. As you read through them, don't focus only on Peter, but seek to see God's charachter revealed through His interactions with and responses to Peter.

We serve an awesome God who revealed Himself to us through His Word and His Son. Praise God that we can serve Him even in our brokenness.
